

Dear

Further to our message of March 21, the following is an updated list of people looking for partners to work out a project in reply to the current call for proposals under the Tempus IV programme. If any of these initiatives is of interest to you, to your institution or to any of your member of staff, would you please disseminate the information in your institution or get in touch with the corresponding contact person at the given address to proceed on, knowing that the deadline for submitting proposals under the current Tempus call for proposals is **28 April 2008**:
